EXAMPLE of the application of the new **maximum hole score.**
The new maximum hole score for each player will be limited to a Net Double Bogey, equal to Par + 2 + any handicap strokes received (based on the player's Course Handicap).
In the example above, Janey Doe picked up on hole # 5 on SaddleBrooke. Her score was adjusted to reflect the Maximum Hole Score (Net Double Bogey).
This was calculated as follows: Par = 4, + 2 (for double bogey) + 1 (her pop for the hole based on her individual handicap). For hole 5 the max she can take is a 7.
Tina Turner picked up on Tucson 2. Her score was adjusted to net double bogey which was a 6 (par=3, +2 (for double bogey) + 1 (her pop for the hole based on her individual handicap)).

New in 2020: Pick up if you are out of the hole and mark your card using **The maximum hole score.** The maximum hole score for each player will be limited to a **Net Double Bogey, equal to Par + 2 + any handicap strokes received** (based on the player's Course Handicap). Please, mark X before your max score. Example: **X7.** If you pick up, your gross score and your net score for that hole will be the same (net double bogey). This means you do not get to take off any additional pops on the net line for that hole. If you withdraw for any reason during the round, mark your card **WD.**
