

There was **CHAOS!** There was **CONFUSION!** There was **COMRADERIE!!!** What more could the esteemed SBWGA-18 golfers want??? Thank you, Mollie, the pro shop, and the food and beverage staff for your patience and total support today.

Today some were able to complete 14 holes; some 16; others 11 or 12. Six foursomes were unable to play T8 to complete in the Closest to the Pin competition.

Our Partner Match Play was scored on the scores reported by the competing teams on the number of holes they played. However, because of the varying number of scores reported (11-14), individual scores were NOT posted.
