Nancy Sartor presented the LPGA/USGA Girls Golf of Tucson (a 501c3 organization) as a possible charity for the league to adopt in 2023. Discussion followed, and all members agreed this could be a good fit, and one that members could connect with as they would be able to make financial contributions and donate their time. Members requested more information about the demographics of the recipients.

Action Items:

- Nancy Sartor will follow up with LPGA/USGA Girls Golf Program to get further information, specifically financial demographics, about the recipients of the program.
- Cathe Kropp will follow up with Lisa Graff to ensure the Activity Center has been reserved for the league-wide social parties following the Club Championship and the Cactus Classic.
