Nancy co-chaired the inaugural Member-Member Tournament for SaddleBrooke in April of 2021. Nancy's focus as Tuesday Play Day Chair has been on creating games that are fun, competitive and are conducive to members playing with different members to promote lasting friendship and comradery.

### **Jo Ann Ellison - Secretary**

Jo Ann moved to SaddleBrooke in 2005. She's a retired corporate attorney which makes her qualified to take minutes. She served on HOA #1 Board of Directors for 2 terms, from 2010-2016 as secretary and Vice President and she's currently back on HOA #1 Board filling in a vacancy. She took some time off from golf but she's back with a vengeance. Jo Ann says that the 18ers were always a good group but they are better than ever and she wants to be a part.

### **Patty Mawe - Treasurer**

Patty joined the SBWGA18 league in 2019 and has enjoyed meeting and playing with the ladies in our league. She's a CPA and served as the treasurer for the ladies golf league at Heritage Todd Creek in Colorado. She's looking forward to a successful season with the new board.

Deanna has been a member of SBWGA since 2016. She volunteered for Quail Classic raffle committee and was the Southern District Rep for 2

years. She's an active golfer, who enjoys meeting people and showing off Saddlebrooke. She feels qualified to participate on the Board as a thoughtful and inquiring person who wants to find ways to improve processes. She recognizes that golf should be fun and the league is an avenue for increasing membership because we make people feel welcome.

### **Lisa Graff - Special Tournament Chair**

Lisa has a law degree from Notre Dame and worked as a corporate lawyer until she retired in 2016. She joined the SBWGA in 2018 after she and her husband bought their first home here. While a member of the Wisconsin golf club, Lisa was captain of the Senior Women's District team for one year. She served as an Area Captain at the US Open at Erin Hills in 2017, and marshaled last month at the Ryder Cup at Whistling Straits. In the 20-21 season, Lisa was on the Tuesday Play day committee, with responsibility for tracking the ringer scores where she applied Excel expertise to the task. She served as assistant captain for our Catalina Cup team for the past two years and will be the Saddlebrooke captain this year and next. Lisa feels that the skills gained while practicing law should serve her well as the Special Tournament Chair, particularly knowing how to juggle multiple tasks and support each tournament committee to run successful and fun tournaments.

### **Francie Entz - Tuesday Play Day Chair**

Francie first joined the SBWGA in 1999. She and her husband left SB in 2003, but returned in 2005 and rejoined the League. Earlier this year Francie was asked to help with the scoring duties of the Tuesday Play Day Committee. With the assurances of Nancy, Judy, and Bonnie that they would assist her in 2022, she has accepted the nomination to be its chair. Since that time she's been working with Nancy and Judy in set up and score the Tuesday games. While not a true techie, she has some skills and abilities on the computer that she's found beneficial in performing the duties of this position.

### **Sandi Chester - Handicap Chair**

Sandi moved to Saddlebrooke from Southern California in 2010, where she held several Women's Golf Association Board positions at her previous Country Clubs. She joined the SBWGA in 2011 and subsequently held the following positions: Quail Classic Co- Chair 2013, 2014 & 2018; Tuesday

Play Day Chair 2016 & 2017 during which time, at the request of the SBWGA Board, she worked with Bernie Eaton (Director of Golf) to reconfigure the TPD responsibilities to include the weekly process of setting up TPD games specifically pairings and printing score cards. In conjunction with Brenda Brown, she also set up the current system of utilizing the TPD Play Day email address to manage requests and cancellations, thereby reducing the number of calls and emails that went directly to the TPD Chair. Sandi initiated the shared responsibility for TPD, by creating and utilizing a TPD Committee. Sandi was Assistant Handicap Chair 2020-2021. She believes that her previous years of experience in various Women's Golf Association positions qualifies her for the Handicap Chair position. As TPD Chair, she worked closely with the Handicap Chair. She's also worked with Joan Chyall as Assistant Handicap Chair and believe that she's adequately prepared for the position.
