10. Other business: Rules -Maire Ryan and Eila Salaberry: Maire reviewed the applicable rules for the Club Championship: the local rule for out of bounds balls will not be applicable-a player must take stroke and distance; she also reviewed the special rule for SB #2. The Club rule will not be applicable: A player has one attempt to get over the water—if not, she must go to the designated drop zone. Eila reminded us that any time you lift a ball, you must mark it. Also, a player cannot hit a "provisional ball" for a ball that may be lost in a penalty area. And finally, if your ball is in a bunker, a player cannot improve the condition of the lie, unless the condition occurred after ball arrived into the bunker.
