

## ***April 2022 President's Message***

### **Nominating Committee**

According to our Bylaws, two members will be appointed by the membership to the Nominating Committee at the April 5 General Meeting. Please consider serving on this committee and/or nominating another member (with their permission).

### **Charity Update**

Thank you everyone for your extraordinary generosity. We got a lot of books for the CASA read-along program. We will continue to leave the box out and accept books through the school year and make another reminder at the end of April. A special thank you to BJ Murray for the donation of more than 20 quilted coloring book holders with crayons. We also mailed CASA of Pinal County a check for \$355 on March 1. Please see their thank-you note on the bulletin board. ***Chris Crum, Charity Chair***

### **The Rudest Things You Should Never Do on the Golf Course**

There are 35 rudest things and I will be reminding you of them in the coming months. Here are the top 5. Never:

1. Drive the cart ahead of the group – doesn't really save any time
2. Take calls on the course – Be mindful that most people play to get away from their phone
3. Order way too many drinks – if you are playing elsewhere
4. Get mad about their game - Don't take yourself too seriously. It's just game, have fun with it.
5. Stand over the ball too long - Standing over the ball doesn't even help you. Give yourself about five seconds, and go.
