

Changes to the SBWGA-18 Standing Rules In Effect from January 1, 2022

Most of the changes made to the Standing Rules were editorial in nature. The following should be noted:

VI-1 **Posting Scores:** Presidents' Cup scores will now be posted by the Tuesday Play Day Committee or the Pro Shop.

VIII-8 **Tuesday Play Day:** Added Eclectic to the competitions for holes played if the player withdraws, but only if at least 7 of each 9-holes is played (in other words, the score is post able). Added that none of the special competitions (birdies, chip-ins, etc.) will be counted if the score is not post able.

VIII-9 **Tuesday Play Day:** Deleted the entire #9 as it is covered in the section on Skins Games.

VIII-10 c) **Tuesday Play Day:** *Changed the tee box selection choices* so that Red/Yellow is only a choice on ACE Day. *Also changed the number of times per year a player can change their tee box selection to once, effective July 1.*

VIII-10 h) **Tuesday Play Day:** Changed the scorecard requirement to *turning in both scorecards with a signature from ALL players on the master scorecard*. Also required is a *total for each 9-holes* played for each player.

VIII-10 i) **Tuesday Play Day:** Changed *how ties will be paid for gross payouts* which will utilize the USGA card off procedure described in Section IX-6.

IX-4: **ACE Days:** Pairings will once again be based on handicap index rather than course handicap.

X **Major Tournaments:** Added "The Board may approve additional budget from sponsor funds for major tournaments."

X-1 **Major Tournaments:** *Added a Legends Club Championship* tournament for our members who will turn 80 by the end of the calendar year.

X-9, 10 **Major Tournaments:** Deleted "Any score in excess of net double bogey will automatically be reduced to net double bogey by the posting software" as it doesn't belong in the Standing Rules.

XI-3b **Special Tournaments:** Deleted description of specific format for the Member-Member as the tournament chairs will select the format each year.

XI-former #4 **Special Tournaments:** *Deleted the Cancer Charity Tournament* as it has not been held for a couple of years.

XI 7 **Special Tournaments:** Change the hosting of the LAGOS tournament to odd numbered years so that SBWGA-18 would not have to host both the LAGOS and Mixed Summer Classic in the same year. The Niners have agreed to this change.

XI 2 **Ongoing Games:** *Changed the Eclectic competition* to make it a full year competition, awarded in January for the previous year. Eclectic will be played on non-ACE Day Tuesdays and based on tee box. Added: "Each participant will play the Eclectic game based on the tee box she has signed up to play on non-ACE Day Tuesdays. A participant who changes tee boxes in July of the current year, may choose to play Eclectic from the new tee boxes by paying another Eclectic fee. She will then be competing in two Eclectic games," one from each of the tee boxes from which she played that year.

XI 3,4 **Ongoing Games:** Chip-ins and Birdies or Better (Gross) *will now be paid only in January for the prior year.*

XI 5 **Ongoing Games:** The Skins Game verbiage was re-written for clarity.

XII former #3 **Other Awards:** *Par Points was deleted* as it is a member-sponsored award rather than a club-sponsored award.

XIV 2 e) **General Information:** Added "On rare occasions sponsor money may be used to augment payouts" for Tuesday Play Days.
