10. Membership Talk
 - a. The Quail Classic for 2021 will be held during the second week of April rather than the first week per usual.
 - b. We may plan to do a crossover event with the SBMGA that week between the Quail Classic and the men's Road Runner tourney. This is still in the planning stages.
 - c. Sunshine Correspondence – If you know anyone in the club who is sick or injured, please let someone on the Board know. We would like to reach out to them and let them know we're thinking of them.

d. Safety on the course - There was an incident on the course a few weeks ago whereby a player collapsed and no one in the foursome had a cell phone. Try to be aware of any medical conditions within your foursome so you will know how to respond and make sure that someone in the group has a cell phone.

e. Club correspondence is now coming in an email with the label "Golf Genius". Be sure to open these emails as well as the attachments. Many people are not reading these and are therefore not informed.

f. Our charity for this year, YOTO, has a "needs list" for items that they need donated. This list was sent to all members in an email. It will also be placed on the website for future reference. Any donations can be taken to Ann Chatham's home or placed in Molly's office in the pro shop.

g. Picture taking will be done prior to or after our meetings to avoid distractions and keep the meeting running smoothly.

11. Sarah Ernest announced the chip-in winners for today: Patty Mawe and Pam Bicknell. They earned \$14 each.

12. Two members were given the "You Rock" recognition for their contributions: Jan Bukes and Sandra Murray.

14. The meeting was adjourned at 1:28.

Respectfully submitted,

Mary Ribacchi - Secretary
