**After 9 payouts today at \$6.00/person, I was informed that there had been a mistake.

It had been reported that Deb Finn (2chip in's) and Nancy Huffman had birdies and not chip ins after all. The money was returned to me and an additional \$3.00 was awarded to each chip in winner. So... 6 people received \$9.00 each

I will get the additional \$'s to them by the end of the week. All is copacetic !! 🙌😊. Pam Brunelle.
