

## SBWGA-18 Membership Renewal

It's time for your SBWGA-18 Membership Renewal. This year we are partnering with AGA to collect our membership payments online to improve the membership process. Simply login to your AGA account and follow the prompts to renew. If you don't recall your login credentials, there is a "forgot my password" option. The procedure is simple; instructions are attached. Here is the link: [https://www.azgolf.org/member-dashboard/?gnmd\\_page=login](https://www.azgolf.org/member-dashboard/?gnmd_page=login)

**AN IMPORTANT NOTE:** In the contact information, AGA requests your date of birth, including the year. This is not new information for AGA, it was required when you initially joined. AGA is simply confirming the data they have. It is required because some of their memberships and events are age limited, for instance junior memberships and senior tournaments just to name a couple. This information is not available to our general league membership.

A word about the membership fee. In the past, AGA has given the league a \$5 renewal credit for each member submitted prior to 12/31. Using their online renewal, the \$5 credit now goes directly to the member. Consequently, the league has raised membership dues by \$5 to cover this, BUT members also get an additional \$5 credit for renewing online. So, this year's amount due is actually \$5 less than last year.

<b>2022</b>		<b>2023</b>

AGA Dues	<u>45</u>	AGA Dues	45

The membership options remain the same at \$5 each for Hole-in-One, Eclectic, Chip-Ins, Birdies or Better, and \$10 for Southern District.

There is some information which we are not able to collect online.
