

1. Handicap Records V, 5

Old:

If a player discovers that she made an error in posting, such as wrong score, wrong date, incorrect tee ground or did not play according to the Rules of Golf, she should send a Correction Form via the website (sbwga.com). Include as much information as needed to assist the Handicap Committee in deciphering the issues. Penalties are not assessed when this is done.

New (changes made to clarify – no change in meaning):

If a player discovers that she made an error in posting, she must send a Posting Correction Form via the website (sbwga.com). A Posting Correction/Exception Form should be submitted when the player determines an error, such as wrong score, wrong date, incorrect tee ground or did not play according to the Rules of Golf, which includes non-conforming games. Non-conforming games consist of scrambles, shambles, Chapman formats, or any other game where the player does not exclusively play her own ball. Include as much information as needed to assist the Handicap Committee in deciphering the issues. Penalties are not assessed when this is done.
